

JOURNEYMAN LINEMAN

Columbus Electric Cooperative has an immediate opening for a qualified Journeyman Lineman with at least four years of experience in the construction and maintenance of electric distribution and transmission lines. Completion of a four year apprentice training program is desired.

Columbus Electric serves over 2,100 miles in the generally mild climate of southwestern New Mexico and southeastern Arizona. We have a headquarters office in Deming, NM and a service center in Animas, NM. The qualified applicant for this position will be working primarily out of the Deming office.

We have a competitive compensation package, including paid medical and dental insurance, and is an equal opportunity employer.
